How To Set Up GwdCap Mobile App

1. Search for GwdCap Mobile in your smart device store. The App is available on both Apple and Android devices. Click Download/Open/Install.
2. Once installed, click Open and you will come to the login screen. Enter the email address and password you previously set up for the Online Portal and click Login.
3. Choose the verification method when prompted.

4. Enter the verification code on the next screen.
5. You will be logged into the Home Screen.
6. To turn on biometrics, click Menu at the bottom right-hand corner and then Settings. You can then toggle the Use Biometrics and enter your fingerprint.
